**IN MEMORIUM**

The League are saddened to report that over the course of the summer that we lost 3 respected people in the game.

**John Goldworthy**, past Secretary and Director of former member club Wycombe Wanderers was a staunch supporter of the Capital League in the early days. John held at one time the post of Vice President, served on the Management Committee and was a Life Member of the League. John also had a stand in stint as Capital League Secretary during the 1989/90 season.

### **IN MEMORIUM (continued)**

**David Stanley**, a well known figure in non-league football. David had spells as Secretary with numerous clubs including Hendon and Chesham United during their time in this League. His last club was Hemel Hempstead Town.

**Norman (Nobby) Johnson** of Great Wakering Rovers, Nobby was instrumental in bringing the club into our league. His sudden passing just before the start of the season has no doubt been a great loss to the club but also the league.

We must also report that Sue the wife of Terry Flack, a former Assistant Referees Secretary and a Life Member of the League also passed away a short time ago.

We are sure that everybody connected with the Capital League will join with the Officers and Management Committee in expressing their sympathy to the families concerned.

Peter Braxton, League General Secretary.
